

# On-Site Services We'll Come To You

## *A Shoes For Crews Safety Shoe Store Right in Your Workplace*

**Our On-Site Services Program provides you all the tools needed to get your employees into slip-resistant Shoes For Crews.**

We'll send an On-Site Safety Footwear Specialist to visit your workplace and ensure that each employee is fitted for the right safety shoe style.

### The On-Site Fitting Process is Simple:

- ✓ **SCHEDULING** Your SFC Account Manager will help you schedule your on-site shoe fitting and choose a range of shoe styles for your team.
- ✓ **MARKETING** We'll create the marketing materials to help promote your fitting event to employees.
- ✓ **ON-SITE FITTING** Employees receive a personal fitting and consultation to help select the best style based on occupation and needs.
- ✓ **ORDERS** We'll record and confirm orders on-site, check for accuracy and submit for processing on your approval.
- ✓ **DELIVERY** Each pair of shoes arrives with your employee's name on the box within 3 business days.
