

Keep your **MightyMat** clean.

See our cleaning tips below...

MightyMat MAX II

STYLE 40 14.3mm thickness

MightyMat CLASSIC

STYLE 20 6mm thickness

**3 Easy Ways to
Clean Your Mat...**

- ON THE FLOOR
- AT THE SINK
- IN THE DISHWASHER

Just apply the detergent, scrub on both sides with a brush or run through a complete dishwashing cycle. When drying your mat be sure to never hang by the handles or drainage slots. The weight can cause the mat to rip.
